GOVERNMENT  
ACCOUNTABILITY BOARD

The Verified Complaint of

REPUBLICAN PARTY OF WISCONSIN  
JOSEPH FADNESS,  
Complainant

VERIFIED  
COMPLAINT

Against

JEREMY RYAN,  
Respondent

The Republican Party of Wisconsin, by and through its representative, Joseph Fadness, brings this verified complaint under Chapters 5 and 8 of the Wisconsin Statutes and Chapter GAB 2 of the State of Wisconsin Administrative Code, and requests that the Government Accountability Board review the sufficiency of the nomination papers of the Respondent in light of the allegations contained herein.

1. Complainant Joseph Fadness is a qualified elector of the State of Wisconsin and is the Executive Director of the Republican Party of Wisconsin with a mailing address of 148 East Johnson Street, Madison, Wisconsin 53703.
2. Jeremy Ryan, who listed his address, as filed with the Government Accountability Board as 156 Rodney Court Apartment #2 Madison, WI and has filed nomination papers with the Government Accountability Board for certification as a Republican candidate for the 1<sup>st</sup> Congressional District of Wisconsin on the August 12, 2014 ballot.

### **I. Challenges to Papers in their Entirety**

#### **A.**

#### **Circulator Certificate Invalid: Signatures Obtained Under False Pretenses and Without Signers Full Knowledge of the Contents of the Nomination Papers**

4. Respondent is the sole circulator of each and every nomination paper filed with the Government Accountability Board. A copy of Respondent's nomination papers are attached hereto as Exhibit A (incorporates Exhibit B through Exhibit WW and Exhibits CCC-EEE).
5. GAB Rule 2.05(1) states:

**GAB2.05 Treatment and sufficiency of nomination papers.** (1) Each candidate for public office has the responsibility to assure that his or her nomination papers are prepared, circulated, signed, and filed in compliance with statutory and other legal requirements.

6. Section 8.15(4)(a) of the Wisconsin Statutes states:

**8.15 Nominations for partisan primary.**

(4)

(a) The certification of a qualified circulator stating his or her residence with street and number, if any, shall appear at the bottom of each nomination paper, stating he or she personally circulated the nomination paper and personally obtained each of the signatures; he or she knows they are electors of the ward, aldermanic district, municipality or county, as the nomination papers require; he or she knows they signed the paper with full knowledge of its content; he or she knows their respective residences given; he or she knows each signer signed on the date stated opposite his or her name; and, that he or she, the circulator, is a qualified elector of this state, or if not a qualified elector of this state, is a U.S. citizen age 18 or older who, if he or she were a resident of this state, would not be disqualified from voting under s. 6.03, Wis. Stats.; that he or she intends to support the candidate; and that he or she is aware that falsifying the certification is punishable under s. 12.13 (3) (a), Wis. Stats. The circulator shall indicate the date that he or she makes the certification next to his or her signature. The certification may be made by the candidate or any qualified circulator. (Emphasis added).

7. Section 12.13(3)(a) of the Wisconsin Statutes states:

**12.3 Election Fraud.**

(3) PROHIBITED ACTS. No person may:

(a) Falsify any information in respect to or fraudulently deface or destroy a certificate of nomination, nomination paper, declaration of candidacy or petition for an election, including a recall petition or petition for a referendum; or file or receive for filing a certificate of nomination, nomination paper, declaration of candidacy or any such petition, knowing any part is falsely made.

8. Respondent knowingly and willfully circulated his nomination papers and obtained signatures under false pretenses by intentionally obscuring the contents of the nomination papers by promoting and luring signers into believing they were signing a petition to legalize marijuana rather than a nomination paper for partisan office for himself. Respondent's illegal conduct was reported after his nomination papers were filed in an article in the June 2,

2014, edition of *The Wisconsin Daily Independent* (<http://wisconsinailyindependent.com/paul-ryan-will-have-a-primary-was-a-felony-committed-2/>) and, upon information and belief, Respondent's own Facebook page. See Exhibit BBB attached hereto and incorporated herein.

9. Respondent knowingly and intentionally falsified the circulator certification required by Section 8.15(4)(a) of the Wisconsin Statutes, which voids and invalidates each and every signature on the nomination papers as Respondent was the sole circulator.
10. Respondent intentionally falsified the circulator certification, which is an expressly prohibited act of election fraud in violation of Section 12.13(3)(a) of the Wisconsin Statutes.
11. Irrespective that election fraud is promulgated in Chapter 12 of the Wisconsin Statutes, the certificate of the circulator set forth in Wisconsin Statute 8.15(4)(a) (as well as on the face of the GAB provided Nomination Paper for Partisan Office example made available on the GAB's website) specifically requires a circulator to certify he or she is aware that falsifying the certification is punishable under Wisconsin Statute Section 12.13(3)(a); consequently, such election fraud allegation is a proper factor for the Government Accountability to take into consideration during the nomination challenge process when evaluating the validity of submitted nomination papers containing an allegation that the circulator falsified certification.
12. Therefore, Complainant alleges:
  - (a) Respondent violated Sections 8.15(4)(a) and 12.13(3)(a) of the Wisconsin Statutes, which are intentional violations of GAB Rule 2.05(1) thereby invalidating the sufficiency of each and every page of, and signature on, Respondent's nomination papers;
  - (b) No substantial compliance with the Government Accountability Rules otherwise can be founded on an intentional and willful falsification of the circulator certification to obtain signatures in the very first instance using false pretenses;
  - (c) Respondent willfully and intentionally falsified the circulator certification by obtaining signatures under false pretenses and intentionally obscuring the contents of the nomination petition from the signers. Respondents conduct is fatal and cannot now be cured; and
  - (d) Respondent, based on the foregoing subparagraphs (a)-(c), is ineligible to be placed on the ballot.

**B.**

**Residency of Circulator cannot be Discerned**

13. Wis. Stat. Section 8.15(4)(a) requires a circulator of nomination papers to indicate his or her residential information at the bottom of each nomination paper.
14. GAB 2.05(14) states, in part “No signature may be counted when the residency of the circulator cannot be determined by the information given on the nomination paper.”
15. The residential information of the circulator on Page 48 of Respondent’s nomination papers is illegible and the required circulator information cannot be discerned, in contravention of GAB 2.05(14). A copy of page 48 of Respondent’s nomination papers is attached hereto as Exhibit M.
16. Page 48 of Respondent’s nomination papers does not conform to the requirements set forth in GAB 2.05(14), thus the entire paper and all 10 signatures are invalid.
17. The residential information of the circulator on Page 49 of Respondent’s nomination papers is illegible and the required circulator information cannot be discerned, in contravention of GAB 2.05(14). A copy of page 49 of Respondent’s nomination papers is attached hereto as Exhibit B.
18. Page 49 of Respondent’s nomination papers does not conform to the requirements set forth in GAB 2.05(14), thus the entire paper and all 10 signatures are invalid.
19. The residential information of the circulator on Page 59 of Respondent’s nomination papers is illegible and the required circulator information cannot be discerned, in contravention of GAB 2.05(14). A copy of page 59 of Respondent’s nomination papers is attached hereto as Exhibit C.
20. Page 59 of Respondent’s nomination papers does not conform with the requirements set forth in GAB 2.05(14), thus the entire paper and all 10 signatures are invalid.
21. Page 134 of Respondent’s nomination papers is missing a complete residential address and references “see heading.” Such instruction does not comport and at the very least is not in substantial compliance with statutory and regulatory instruction as “heading” is not clearly defined on the nomination paper. A copy of page 134 Respondent’s nomination papers is attached hereto as Exhibit D.
22. Page 134 of Respondent’s nomination papers does not conform with the requirements set forth in GAB 2.05(14), or Wis. Stat. 8.15(4)(a), thus the entire paper and all 10 signatures are invalid.

**II. Challenges to Individual Signatures**

23. Complainant re-alleges and reincorporates herein paragraphs 1 through 22, above.

**A.**

**Multiple Signatures Signed by a Single Elector**

24. GAB 2.05(9) provides, in part, that “a person may not sign for his or her spouse, or for *any other person...*” unless as a result of physical disability.
25. GAB 2.05(8) provides, “An elector shall sign his or her own name unless unable to do so because of physical disability. An elector unable to sign because of physical disability shall be present when another person signs on behalf of the disabled elector and shall specifically authorize the signing.”
26. Page 22, lines 7 and 8 of Respondent’s nomination papers indicate from the handwriting style on the face of the paper that a single person signed at two different locations for two different people without the necessary authorization required by GAB 2.05(8). Absent any specific authorization granting the signer to sign for two persons, the signer acted in contravention of GAB 2.05(8) and 2.05(9), thus invalidating a signature. A copy of page 22 of Respondent’s nomination papers is attached hereto as Exhibit E.
27. Page 91, lines 8-10 of Respondent’s nomination papers indicate from the handwriting style on the face of the paper that a single person signed at three different locations for three different people without the necessary authorization required by GAB 2.05(8). Absent any specific authorization granting the signer to sign for two persons, the signer acted in contravention of GAB 2.05(8) and 2.05(9), thus invalidating a signature. A copy of page 91 of Respondent’s nomination papers is attached hereto as Exhibit F.

**B.**

## Paul Ryan will have a primary – was a felony committed?

Known liberal protester Jeremy Ryan, today filed his papers to primary House Republican Paul Ryan today. He received the necessary 1,000 signatures to get on the ballot. He even was so bold as to go to Paul Ryan's house and try to get him to sign his nomination papers. A Democrat running as a Republican to primary isn't unseen in recent Wisconsin politics.

Jeremy Ryan has become a Madison protester regular. He's proudly been arrested and has always liked to poke the establishment in the face. Did he go too far with trying to play his biggest prank ever? To collect signatures it seems he's used false pretense to collect them.

Jeremy Ryan has been documented on his Facebook page as getting people to sign a petition to legalize marijuana. Was he tricking people to sign his petitions? Someone in Kenosha stated that Ryan was telling people the petition was for legalizing pot, upon further reading they saw his nomination signatures. They also had papers to primary John Lehman. When they were confronted they immediately packed up and left. The Facebook comment has since been deleted.

This kind of action is expressly illegal according to election fraud laws. Jeremy Ryan has expressed in many forums his desire to cause trouble in the Republican primary. He has no chance of getting any real turnout and this is just another stunt to get him some attention. Sometimes in a moment of youthful glee you can make lifelong mistakes.

If you have any information on this contact the Government Accountability Board with any information.

Segway Jeremy Ryan has declared his candidacy for Congress as a Democrat. is gathering nomination signatures in the most duplicitous of ways. Apparently, he can't get his own signatures legitimately on his own merit, so he and this woman are going into impoverished areas of Kenosha and Racine setting up a sign with a big pot leaf on it and telling people this is a petition to legalize pot.

I first encountered a photograph of it two days ago when a guy in a car showed me a photograph of this old lady standing next to the sign as I was gathering signatures. I said, "Are you sure it's to legalize weed?" And he said, "That's what they told me."

"Did you read it?"

"Now, I should have read what it was signing." I told them this isn't legitimate. He said "Yeah, there was a picture in the corner of some guy."

Today one of campaign workers saw the same set by the Family Dollar store on 22nd Avenue and 60th street in Kenosha. When she approached them about it, they started a rap about legalizing pot. She actually read the paper and saw he running for Congress, and the other form was a petition for the lady running against John Lehman.

When she called them out on it, they hurriedly packed up their sign, got in car and drove south.

James,

Thanks very much for the time you put into developing a well-reasoned, rationale argument.

Actually, I jest--if that is the best you can do, PLEASE, PLEASE, PLEASE don't vote until you get an education.

Why does it seem that all progressives seem to have skipped the class on rhetorical logic and rhetorical fallacies?

Clark County DA Lyndsey Boon Brunette has set a precedent that Election fraud laws are worthless. She is not prosecuting Zach Vruwink in "ballotgate". Segway boy did the same thing( posting a photo of a marked ballot on facebook). So the integrity of the election process has suffered a heart breaking wound and this incident will be the twisting of the knife.
